SECTION A

1. State any **one** habit that promotes proper working of the human skeleton.

   .....

2. How a pine plant similar to a bean plant in terms of reproduction?

   .....

   .....

3. Explain how animals are used as energy resources in the environment?

   .....

   .....

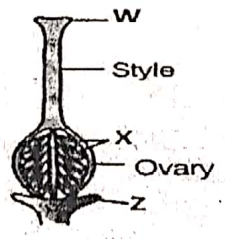
4. Clarissa burnt herself with hot water. What type of injury did she get?

   .....

5. Apart from optimum temperature, state any other one condition needed by a viable seed to germinate.

   .....

Study the diagram below and use it to answer questions 6 and 7



6. What general name is given to the above part of a flower?

   .....

   .....

CamScanner

7. State the importance of part marked **Z** to a young flower.

.....

8. How does leaching lead to soil exhaustion?

.....

.....

9. Give any **one** example of a physical change involved in water cycle.

.....

.....

10. How do bacteria reproduce?

.....

.....

11. Why is it not advisable to clean our ears using sharp objects?

.....

.....

12. Identify the form of energy produced by a dry cell.

.....

.....

13. Name the childhood immunizable disease that causes muscles of baby to become stiff.

.....

.....

14. Name **one** secondary sex characteristic change that is common to both adolescent boys and girls.

.....

.....

CamScanner

15. How does the use of hydro-electricity help in the conservation of the environment?

.....

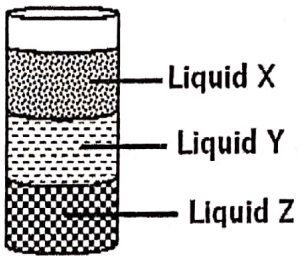
.....

16. How do call the first menstrual cycle in females?

.....

.....

The diagram below shows three liquids with different densities. Use it to answer questions 17 and 18.



17. Which of the liquids has the lowest density?

.....

.....

18. How can the above liquids be separated?

.....

.....

19. Write **ORS** in full.

.....

20. Which vector lays its eggs on stagnant water?

.....

.....

CamScanner

21. Give any one reason why a dairy farmer should keep records on his farm.

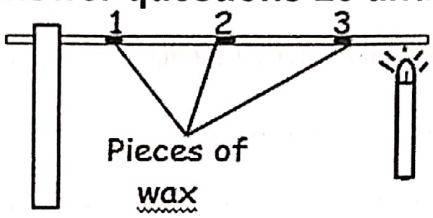
.....

.....

22. How do we call a supportive structure of an animal that gives it shape and allows movement?

.....

The diagram below shows a method of heat transfer in matter. Use it to answer questions 23 and 24.



23. Name the method of heat transfer shown in the diagram above.

.....

.....

24. Which piece of wax will fall off the metallic rod first?

.....

25. Name any one type of pollination.

.....

26. What is the importance of leaving gaps in between rails of a railway line?

.....

.....

CamScanner

27. State **one** way of controlling soil erosion in the garden.

.....

.....

28. Identify the part of air needed for respiration to take place.

.....

.....

29. How does the boiling of water make it safe for drinking?

.....

.....

30. Give **one** way animals depend on plants.

.....

.....

31. Which component of a clean home helps in proper disposal of human wastes?

.....

32. Mention any **one** component of an atom.

.....

33. Write down **one** factor that affects pitch of sound.

.....

.....

34. Name the first set of teeth that develops in child's mouth.

.....

.....

CamScanner

35. Which advise can you give to a mother whose child is suffering from kwashiorkor?

.....

.....

36. Identify the alloy made from the combination of lead and tin.

.....

37. What is electricity?

.....

.....

38. How is the role of gills in a fish different from that of a mushroom?

.....

.....

39 Give **one** example of a crop pest.

.....

40. Identify one plant propagated using leaves.

.....

.....

SECTION B

41a) Give any two example of poultry vices

(i).....

(ii).....

b) Identify any one cause of poultry vices.

.....

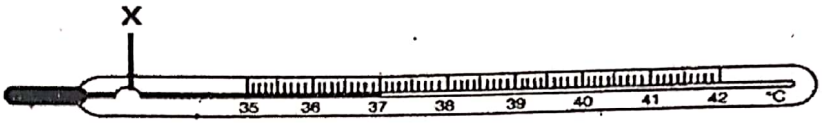
.....

CamScanner

c) How can poultry vices be controlled among poultry?

.....

42. The diagram shows a clinical thermometer. Use it to answer the questions that follow;



a) What is the use of the above instrument to a health worker?

.....

b) Give the importance of part marked **x.**

.....

c) Why do health workers shake the above thermometer before using it to another person?

.....

.....

d) Name the liquid used in the above thermometer.

.....

43. Name the blood component that carries out the following functions.

a) Body defence.

.....

b) Transportation of oxygen.

.....

CamScanner

(c)Clotting of blood.

.....

(d)Transportation of digested food.

.....

44a) Write down two requirements of a pregnant woman.

(i).....

(ii) .....

(b)Identify one problem a P.7 girl is likely to face if she becomes pregnant.

.....

.....

(c)Give one sign of pregnancy in woman.

.....

45.a) Identify **one** condition necessary for rusting to take place.

.....

.....

b) State **one** way of preventing rusting in garden tools.

.....

.....

c) How are the following garden tools used during farming activities?

(i) A mattock.

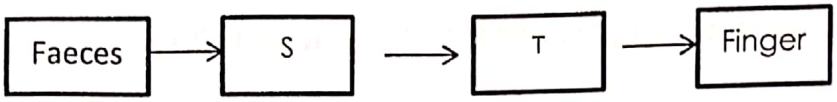
.....

(ii) A secateur

.....

CamScanner

46. The illustration below shows the 4fs germ path. Use it to answer the questions that follow.



(a)Mention the elements at stages **S** and **T**

S .....

T .....

(b)How can the spread of germs through the 4Fs be controlled?

.....

(c) Name any one disease whose germs are spread by houseflies

.....

47.a) Identify **one** type of alcohol.

.....

b) Name **one** body organ that is greatly affected by alcohol.

.....

.....

c) State **one** effect of alcohol to a family.

.....

d) Write down **one** reason why people drink alcohol.

.....

.....

CamScanner

48 (a)Explain the following terms:

(i) Soil drainage:

.....

.....

(ii) Soil texture:

.....

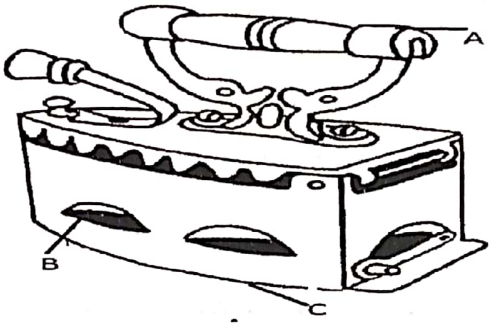
.....

(b) Give any two types of soil in the environment.

(i).....

(ii).....

49.Study the diagram and answer questions that follow:



(a) Name the material from which part **A** is made.

.....

.....

(b) Give the importance of the above tool in a home.

.....

.....

(c) Identify the method of heat transfer through part C.

.....

(d) What fuel does the above use to function?

.....

CamScanner

50. (a) Briefly define term immunity.

.....

.....

(b)Identify two types of immunity.

(i).....

(ii).....

(c) Mention any **one** way a person can acquire immunity.

.....

51. Match the items in **A** with those in **B** correctly.

A	**B**
Proteins	Goitre
Iron	Nightblindness
Vitamin A	Anaemia
Iodine	Kwashiorkor

CamScanner

(b) State any two causes of road accidents.

(i).....

(ii).....

53.The diagram below shows a student in the study room. Use it to answer questions that follow.

a) Identify the type of energy possessed by the above student.

.....

b) State any two benefits the above student enjoys when sitting with a good body posture

(i).....

(ii).....

c) Which force enables the above student to write.

.....

54 (a) Define the term dehydration.

.....

.....

(b)Identify two example of solutes used to make oral rehydration solution.

(i).....

(ii).....

CamScanner

(c) State any one sign of a dehydrated child.

.....

55. a) Name the group of gnawing mammal to which rabbits belong.

.....

b) Write any one reason for keeping rabbits.

.....

(c)State any two ways of caring for rabbits

i).....

ii).....

SECTION A: (40 marks)

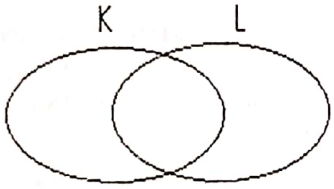
1. Multiply :

$$\begin{array}{r} 53 \\ \times\ 2 \\ \hline \\ \hline \end{array}$$

2. Simplify: $3y - h + 4y + 4h$

3. Write 148 dollars in words.

4. In the Venn diagram below, shade region K - L



5. Write 442 in Roman numerals.

6. Simplify: $^{-}4 - {}^{+}5$

CamScanner

7. A mathematics lesson ended at 1: 25 pm. If it had lasted for $2\frac{1}{4}$ hours, at what time did the lesson start?

8. In the space below, construct an angle of 105^0.

9. Workout: $\frac{3}{4} \div \frac{1}{2}$ using LCM

10. A tray contains 30 mangoes. 25 are good and the rest are bad. Find the probability of randomly picking a bad mango from the tray.

11. Find the **sum** of the next two numbers in the sequence.

    1, 2, 5, 10, 17, _____, _____.

CamScanner

12. How many one hundred shilling coins are in a two thousand shilling note?

13. Express 342 in standard form.

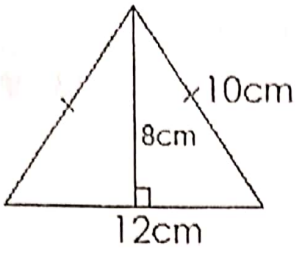
14. Solve: $3r - 5 = 7$

15. Draw a Venn diagram to show that $P \cup Q = P$

16. The cost of a book is (3r) shillings. The book costs twice as much as a pen. If the total cost of the two items is sh.3600, how much does a pen cost?

CamScanner

17. Calculate the area of the triangle below.



18. Change $\frac{3}{4}$ to a decimal.

19. Decrease sh.8,100 in the ratio of 2:3.

20. The LCM of two numbers is 60 and their GCF is 3. If one of the numbers if 15, find the second number.

CamScanner

SECTION B: (60 marks)

21. The sum of three consecutive even numbers is 18.

    a) Find the numbers (3 marks)

    b) Work out their range (1 mark)

22. Abdul, Babu and Carol shared sh. 240,000 in the ratio of 3: 4: 5 respectively.

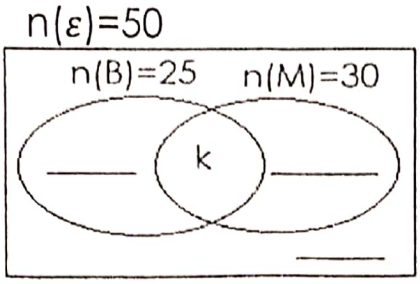
    a) How much money did each of them get? (4 marks)

    b) How much more money did Carol get than Abdul? (2 marks)

CamScanner

23. In a group of 50 boys, 25 boys like beans(B), 30 boys like meat(M) and k boys like both beans and meat while 5 like neither of the two food stuffs.

a) Using the information above, complete the Venn diagram below. **(3 marks)**



b) Calculate the value of k. **(2 marks)**

24. Given the number **23.475**;

a) Write the **place value** of 7 in the given number above. **(1 mark)**

b) Find the **value** of 4 in the given number above. **(1 mark)**

c) Find the sum of the **value** of 5 and **place value** of 2 in the given number above. **(3 marks)**

CamScanner

25. Below are the marks scored by a pupil in a primary six class. Use them to answer the questions that follow.
60, 50, 60, 70, 50, 60.

a) Calculate the median mark. **(1 mark)**

b) Find the modal mark. **(1 mark)**

c) Calculate the mean mark. **(3 marks)**

26. Amoit deposited sh.120,000 in a bank which offers an interest rate of 10% p.a for a period of 6 months.

a) How much interest did she get at the end of that period? **(3 marks)**

b) Find the total amount of money Amoit had on her account at end of 6 months. **(2 marks)**

CamScanner

27. A motorist covered the first part of the journey in 2 hours at 60Km/hr. He rested for an hour and then completed the remaining part of the journey in 3 hours at 40Km/hr.

a) Find the total distance the motorist covered. **(3 marks)**

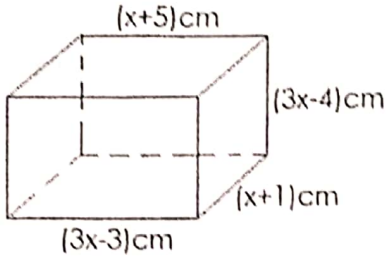
b) Calculate the average speed for the whole journey. **(2 marks)**

28. a) Using a ruler and a pair of compasses only, construct a triangle PQR in which PQ = PR = 6.5cm and angle QPR = 90^0. **(4 marks)**

b) Measure the line QR. **(1 mark)**

CS CamScanner

29. Below is a cuboid. Use it to answer the questions that follow.



a) Calculate the value of x. **(2 marks)**

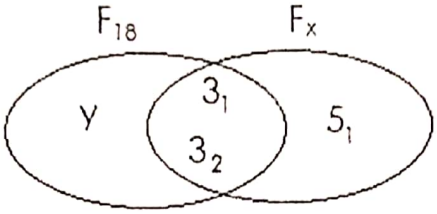
b) Find its volume. **(4 marks)**

30. a) Solve: $4(w-2) = 1(\text{mod. } 9)$. **(2 marks)**

CamScanner

b) Today is Thursday. What day of the week was it 33 days ago? **(2 marks)**

31. Use the factor set below to answer questions about it.



a) Find the value of

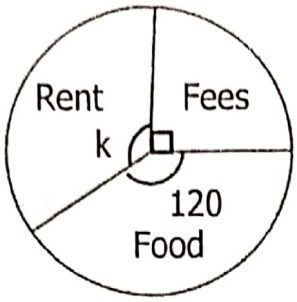
i) y **(2 marks)**

ii) x **(2 marks)**

b) Calculate the Lowest Common Multiple of 18 and x. **(2 marks)**

CamScanner

32. The circle graph below shows how a family spends its sh. 120, 000.



a) Find the value of k. **(2 marks)**

b) How much more money does the family spend on rent than fees? **(2 marks)**

.....

24. State one way a farmer can keep his piece of land fertile.

.....

25. Which political party won the first multi-party elections in Uganda?

.....

26. Name the country which borders Uganda to the East.

.....

CamScanner

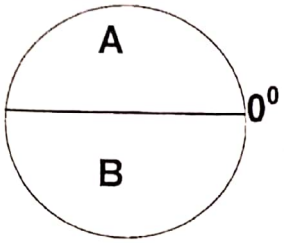
27. In which way is a rain gauge important to a crop farmer?

.....

28. Give any one example of a traditional cash crop.

.....

Study the diagram below and answer question 29.



29 What name is given to the hemisphere marked **A**?

.....

30. Which discovery marked the end of the Stone Age period?

.....

31. Give one way the government can reduce child abuse.

.....

32. Give any one problem which a child may find on the way from home to school.

.....

33. State any one reason why Entebbe town is important to the economy of Uganda.

.....

34. Give one reason why people are discouraged from building houses in swamps.

.....

35. State one importance of games and sports to school children.

.....

CamScanner

For questions 37 - 40, answer Either Christianity Or Islamic but not both.

36. **Either**: Give one way Christians worship God.

.....

Or: Give one way Muslims worship Allah.

.....

37. **Either:** Who was the mother of Abel?

.....

Or: Who was the mother of Habeel?

.....

38. **Either:** Where did God put Adam and Eve to live?

.....

Or: Where did Allah put Adam and Hawa to live?

.....

39. **Either:** Mention any one example of leaders of Christianity in our community.

.....

Or: Mention any one example of leaders of Islam in our community.

.....

40. **Either:** Why do Christians kneel down when praying?

.....

Or: Why do Muslims perform ablution?

.....

SECTION B (60 MARKS)

41. (a) State what colours of the Uganda national flag below symbolize.

(i) Black .....

(ii) Yellow .....

(iii) Red .....

CamScanner

(b) Why was the Crested Crane chosen as Uganda's National Emblem?

.....

42. (a) What is population growth?

.....

.....

(b) Mention any two causes of population growth.

(i) .....

(ii) .....

(c) State one problem associated with high population density.

.....

43. (a) Give one way people of Pre-colonial societies were politically organized.

.....

(b) Give two factors which led to the collapse of the Chwezi Empire.

(i) .....

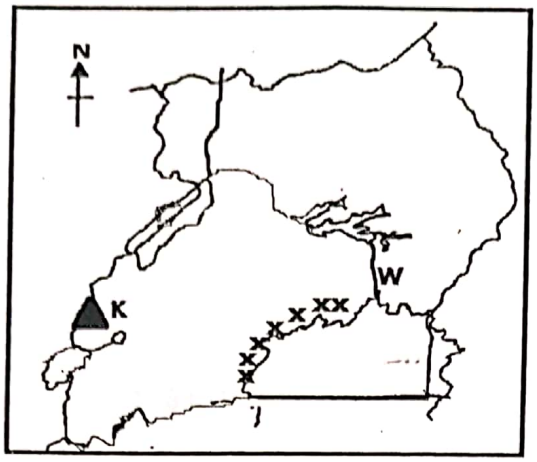
(ii) .....

(d) Mention any one contribution of the Bachwezi in East Africa.

.....

CamScanner

44. Use the map of Uganda below, to answer question 44.



(a) Why are there many people settling in area marked **xxx**?

.....

(b) Mention the highest peak of the mountain marked **X**.

.....

(c) Why is water transport difficult along river marked L?

.....

(d) Name any one element of a map indicated on the map above.

.....

45. (a) Give any two economic activities done by people in savanna.

(i) .....

(ii) .....

(b) State any two human activity that lead to reduction of natural vegetation in an area.

(i) .....

(ii) .....

CamScanner

46. **Study the map below and answer the questions that follow.**

(a) Why is the shaded area not suitable for plantation farming?

.....

(b) Give one characteristic of lake labeled **W**.

.....

(c) Name the town marked **M**.

.....

(d) Which political party led country **Q** to independence?

.....

47. (a) Name the highest mountain in Uganda.

.....

(b) Give the type of mountain you have named above.

.....

(c) Apart from mountains, name two other landforms in Uganda.

(i) .....

(ii) .....

CamScanner

48. Match the name in list **A** to the correct sentence in list **B**.

	Name A	B
(i)	C.T. Wilson	first European to reach Mt. Rwenzori
(ii)	Ahmed bin Ibrahim	first British Commissioner in Uganda.
(iii)	Harry Johnson	part of the CMS group of missionaries.
(iv)	H.M Stanley	first foreign trader in Uganda.
		~~encouraged cotton growing in Uganda~~.

(i) C.T. Wilson .....

(ii) Ahmed bin Ibrahim .....

(iii) Henry Colville ~~Harry Johnson~~ .....

(iv) H.M Stanley .....

49. (a) Mention any one cause of the Mau Mau rebellion in Kenya.

.....

(b) How did the Kenyan natives benefit from Mau Mau uprising?

(i) .....

(ii) .....

(c) Name the political leader of Mau Mau rebellion.

.....

CamScanner

50. (a) Mention any name two hunting tools which early man used.

(i) .....

(ii) .....

(b) Apart from hunting, give any two ways in which early man obtained food.

(i) .....

(ii) .....

For questions 51 - 55, answer Either Christianity Or Islamic but not both.

51. **Either:** (a) From what did God create man?

.....

(b) Why did God create man?

.....

(c) State any one way man cares for each of these creations of God.

(i) animals

.....

(ii) plants

.....

Or: (a) From what did Allah create man?

.....

(b) Why did Allah create man?

.....

(c) State any one way man cares for each of these creations of Allah.

(i) animals .....

(ii) plants .....

CamScanner

52. **Either:** (a) Draw a cross in the space provided below.

CamScanner

Or: (a) Write brief notes about each of the following people;

(i) Amina .....

(ii) Hadijah .....

(iii) Abdallah .....

(iv) Mohammad .....

54. **Either:** (a) Who baptized Jesus Christ?

.....

(b) Apart from baptism, mention any two sacraments in Christianity.

(i) .....

(ii) .....

(c) What happened when Jesus was being baptized?

.....

Or: (a) State any four pillars of Iman.

(i) .....

(ii) .....

(iii) .....

(iv) .....

SECTION B: 50 MARKS

(Questions **51** to **55** carry **10** marks each)

51. ***Read the passage below carefully, and in full sentences, answer the questions that follow.***

The road from Nzigo to Pwere is made of murram. Whenever it is a wet season, it becomes very difficult to use. It is always slippery. Pedestrians don't even want to use it. The mud makes it hard for them to walk. Cyclists are at times seen carrying their bicycles on their head.

Last month the prefects of Bitabo Primary School were supposed to have a meeting with their friends in Pwere Public school. They were going to hold their annual joint meeting.

As soon as they set off, the sky grew darker and darker. In a very short time it was raining. It became so heavy that at Kigoto trading center their bus stopped. They waited for about two hours before they could start their journey again.

Three kilometers away, they had to stop again. There was heavy traffic. This caused a traffic jam. There was no traffic officer. All the motorists started complaining. In the end they organized themselves and the vehicles started moving.

Along this road, is a black spot. On this day, a speeding vehicle had overturned. The police were busy getting it back on the road with a breakdown. This also had to delay the traffic there. The vehicles moved very slowly. The remaining part of the road has several humps. The area has a lot of school children that use this road,

At a quarter to two in the afternoon, they arrived at their destination. Their hosts had waited for a long time. After welcoming them, they gave them lunch. The meeting took a shorter time than they had planned.

On their way back, they took a longer but better road. It was a difficult time for them.

53. *Study the poem below carefully and answer the questions that follow.*

Some money, boss,
They gloomily beg every motorist,
Stretching hands ready to receive,
As they watch the tyres of the cars.

Some money, boss,
My family has no lunch,
My family has no supper,
My family has no clothes.

Some money, boss,
I will go back to school,
I will pay school fees,
I will buy school uniform.

Some money, boss,
In the hot sun they walk,
During the heavy rain they run,
In heavy traffic jam they smile as motorists are reachable.

(By Elly Musana Wagala)
