

**THE
NORTH
GREEN
SCHOOL**

TEACHER OF MATHEMATICS.

NUMBER OF VACANCIES: 1

RESPONSIBLE TO: The Head of Secondary

The North Green School is seeking to appoint a dedicated and experienced teacher of Mathematics for Secondary School, covering both IGCSE and A' Level curricula, starting August 2024.

SOME OF THEIR MAIN DUTIES & RESPONSIBILITIES WILL BE TO:

- Design and implement lesson plans that align with the IGCSE and A' Level Mathematics curriculum, ensuring comprehensive coverage of required topics.
- Create detailed, engaging, and interactive lesson plans that cater to various learning abilities.
- Maintain a well-organised and conducive learning environment, effectively managing classroom behaviour to foster a positive learning atmosphere.
- Develop, administer and grade assessments (quizzes, tests, exams, projects) to evaluate students' understanding and progress.
- Provide additional support and guidance to students needing extra help, including one-on-one tutoring, revision sessions, and feedback on assignments.
- Develop and utilise a variety of teaching resources, including textbooks, digital tools, and multimedia materials to enhance the learning experience.
- Monitor and record students' academic progress, identifying areas of improvement and implementing strategies to address learning gaps.
- Regularly communicate with parents or guardians about their child's academic performance, behaviour and any concerns or achievements.
- Engage in continuous professional development to stay updated with the latest educational trends, teaching methods and advancements in Mathematics.
- Organise and participate in extracurricular activities related to Mathematics, such as maths clubs, competitions and field trips.
- Integrate technology into the classroom by using educational software, online resources and interactive tools to enhance learning.
- Ensure all classroom activities comply with health and safety regulations, maintaining a safe environment for students.

MINIMUM REQUIREMENTS TO BE CONSIDERED FOR THE ROLE:

- Bachelor's Degree in Mathematics or a related field.
- At least 3 years of experience teaching Mathematics at both IGCSE and A' Levels.
- Teaching certification or qualification relevant to secondary education.
- Experience with educational technology, data analysis and performance tracking systems.
- Knowledge of diverse teaching styles and strategies.
- Excellent interpersonal, written and verbal communication skills.
- Sound knowledge of health and safety regulations.
- Ability to inspire and motivate students.
