

BUKEEDE DE PASEO

MATHEMATICS

1. Work out: $45 + 13$

2. Write "nine hundred thousand ten" in figures.

3. Given that set $Q = \{1, 3, 6, 10\}$, find $n(Q)$

6. Solve: $\frac{3y}{2} + 5 = 17$

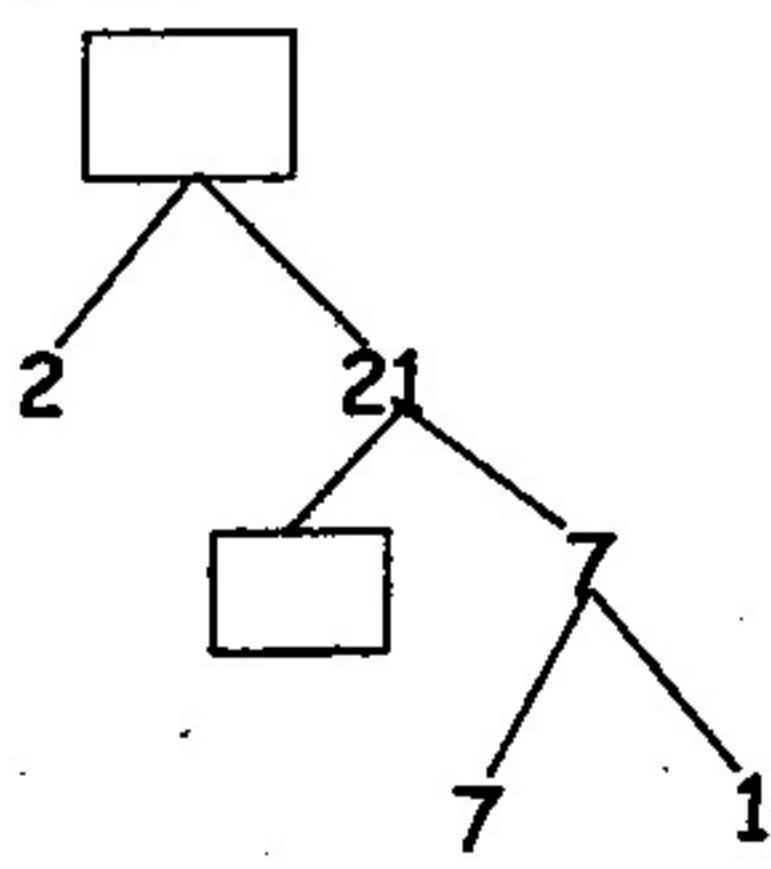

9. How many grams are in 4.5kg?

4.Oyo has $\frac{3}{4}$ loaf of bread.If she gives away $\frac{2}{5}$ of the bread,how much bread does she remain with?

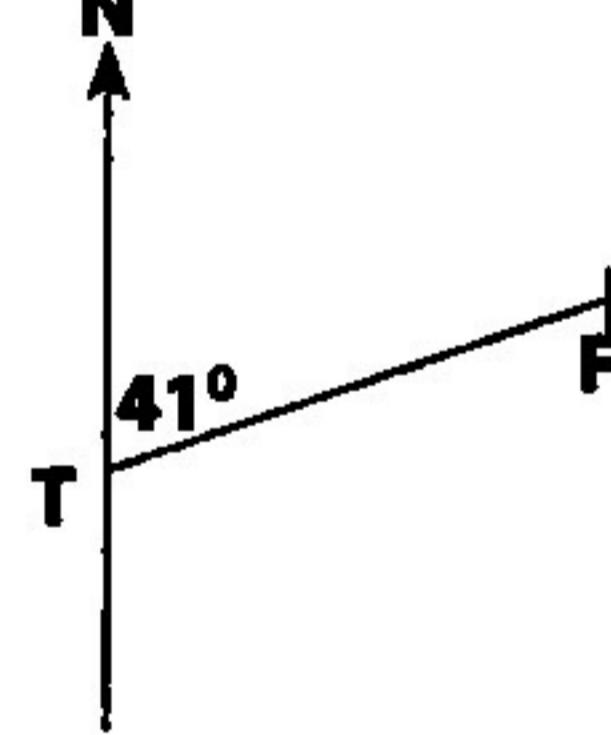

7. Change 101_{two} to base five

10. Round off 4356 to the nearest thousand.

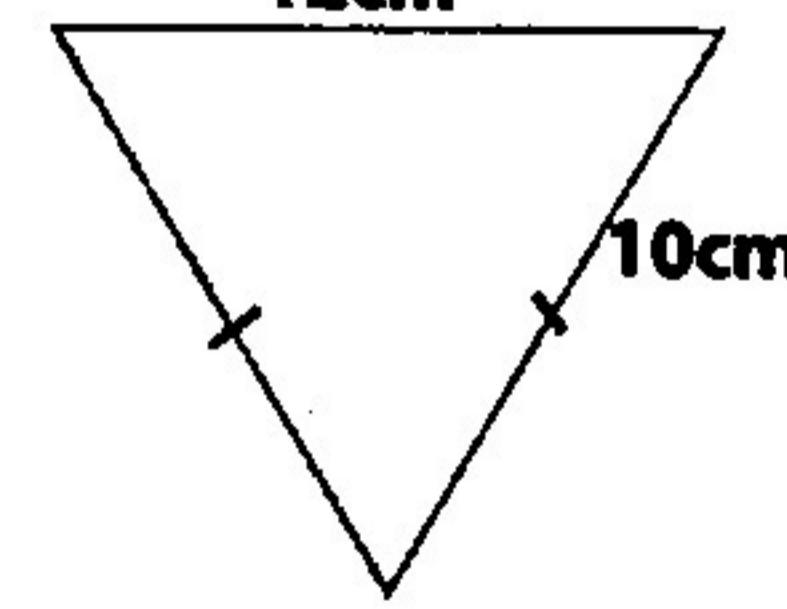

5. A certain number was factorised as shown. Find the sum of the missing numbers in the boxes.

8. Find the bearing of T from F

12. Work the area of the figure below

16. Abalo bought the items listed below:

3kg of fish at sh. 15,000 per kg
2 $\frac{1}{2}$ litres of milk at sh.1600 for $\frac{1}{2}$ litre.

48 boxes at sh 4800 per dozen

a) Calculate Abalo's total expenditure.

b) If she was given a discount of 5%, how much did she pay for all items?

- 17.a) Using ruler and a pair of compasses only, construct a quadrilateral ABCD where angle $ABC = 45^\circ$, $AB=CD=5\text{cm}$, $AD=BC=7.5\text{cm}$.
- a) What is the name of the figure formed?
b) Measure angle BCD.

18. Given the number 74,305;
a) Write the number in words

- b) What is the place value of 7?
c) Work out the quotient of the value of 4 and the value of 5.

19. Bwana is having a birth day party. He invited 17 friends.

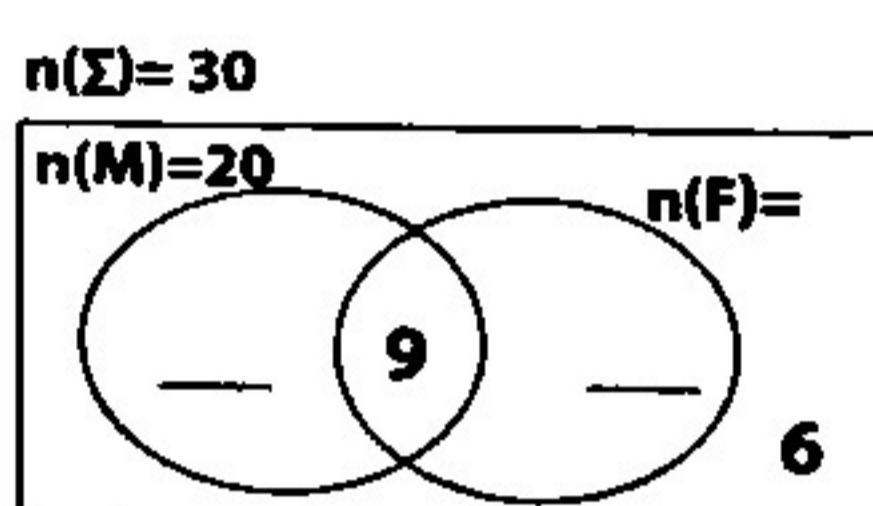

Bwana prepared 195 bottles of soda. He wants to share them at his party but also wants to keep the

remaining soda for his mother and father.
a) How many sodas will each person get?

b) How many sodas were left for the parents?

20. In class of 40 pupils, 30 like meat(M), 19 like fish(F) only, 19 like both meat and fish while 8 like neither fish nor meat.

a) Represent this information on the Venn diagram below.

b) How many pupils like only one type of sauce

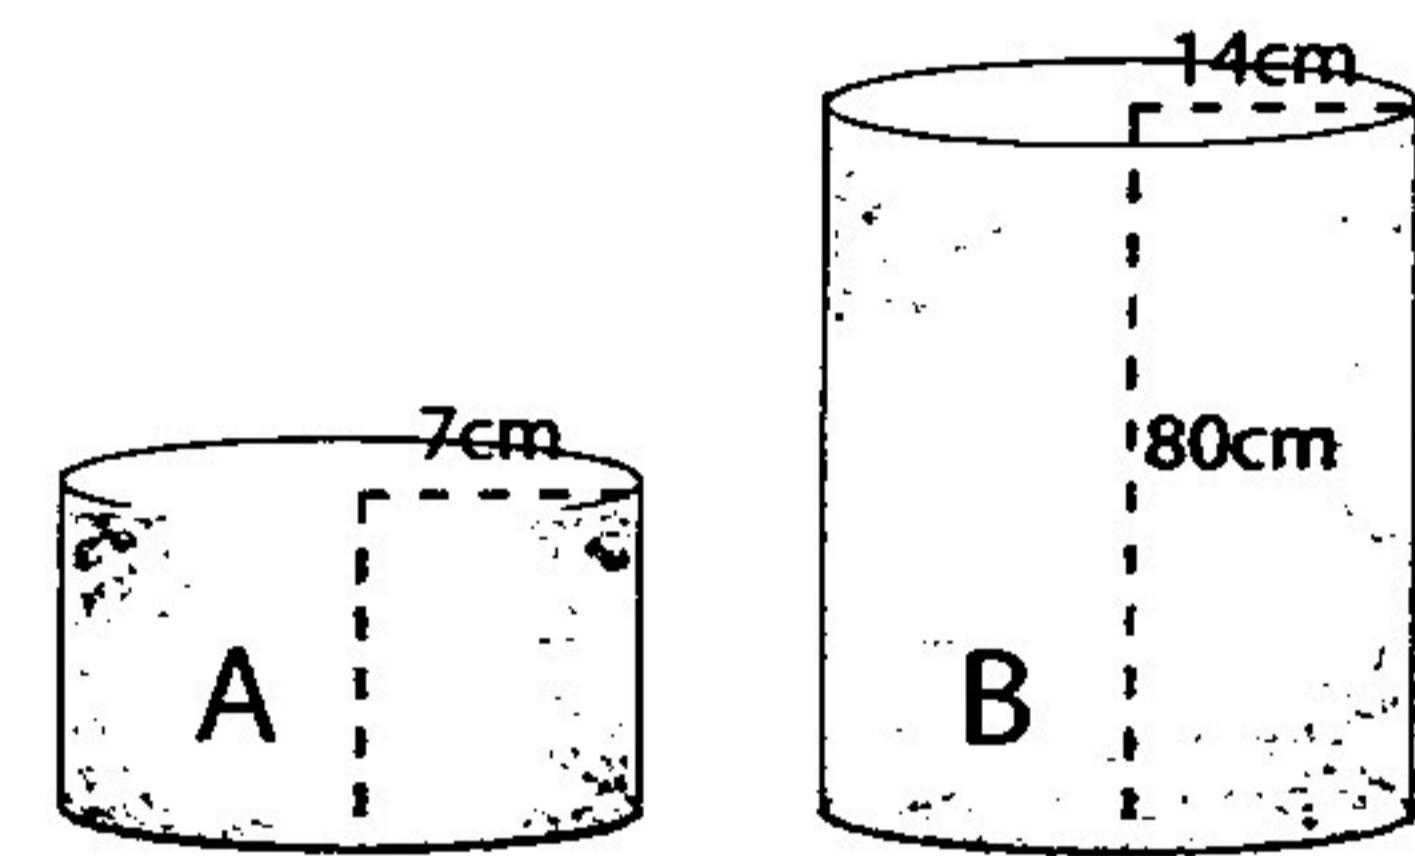

21. At Kyenjojo PS, the siren for females role call sounds after every 30 minutes while that of male trainees sounds after every 40 minutes.

a) After how many minutes do both sirens sound at the same time?

b) If the sirens sounded together at 10:15am for the second time, at what time did they sound together for the first time?

22. Kale is 5 years older than Aba who is a third Liz's age. In 2 years time, their total age will be 41 years. Find the age of each now.

23. If tank B is filled with water, how many containers of size A can be obtained from container B?

INTEGRATED SCIENCE ANSWERS TO ISSUE 3 HOLIDAY COMPANION (16TH MAY 2024)

- Cooking oil/ paraffin/ petro/ diesel/ engine oil
- In the fallopian tubes or oviduct
- Proteins
- Tuberculosis
- Rusting/ germination
- They pump blood at a higher pressure/ the thick walls enable them to withstand the pressure of pumping blood to a long distance in the body
- Tuberculosis/ bronchitis
- $F = (9/5 \times C) + 32$
- $F = (9/5 \times 40^\circ) + 32$
- $F = 9 \times 8 + 32$
- $F = 72 + 32$
- $F = 104^\circ F$
- Therefore $40^\circ C = 104^\circ F$
- OR

- Therefore $40^\circ C = 104^\circ F$
- The act as a passage for light and fresh air into the house/ they act as entrances and exits from the house
 - It lacks mineral salts
 - Severe diarrhoea/ severe vomiting/ severe sweating I babies only

- Air pressure
- It has hooks that attach itself to the fur of the animals
- It has thin walls that allow quick diffusion of gases/ It is supplied with many blood capillaries that bring in carbon dioxide and oxygen to the alveoli
- For breathing
- Thigh
- It kills maggots that would reduce the volume of faeces hence making the latrine to fill up so fast
- Maternal and child health care/ oral and dental health care/ water and sanitation/ accidents and first aid/ personal hygiene/ food and nutrition/ control of communicable diseases
- Snails spread bilharziasis to people/ some Molluscs can sting and injure people
- Wasps/ bees
- They have dull coloured petals/ they produce powdery light pollen grains/ they have pistil lower than the stamen/ they do not produce nectar
- Potential energy
- They absorb sound waves
- Draining away stagnant water

- in the school compound/ by slashing the compound regularly to prevent hiding places for mosquitoes/ by spraying the compound and dormitories with insecticides
- It leads to easy spread of diarrhoeal diseases in the community/ it leads to easy spread of worm infections in the community
- Choking/ sinuses
- It softens the seed coat/ it dissolves mineral salts and food in the seed for easy respiration to take place
- By dipping the animal/ by spraying the animals in acaricides
- Through unprotected sex with an infected person/ through unsafe birth from mother to baby/ through breast feeding with an infected mother
- A fuse
- SECTION B
- To pump blood to all body parts
- Renal pelvis
- Stores sperms
- Digestive system
- Oxygen

- Carbon dioxide
- It destroys people's houses/ it destroys people's crops/ it blows dust into people's eyes/ it causes aerial accidents
- Chemical energy
- Heat energy/ light energy
- Afforestation/ reforestation/ putting off charcoal when not in use/ using energy saving stoves/ practicing agroforestry
- Immunity is the ability of the body to fight or resist against germs or diseases in the body.
- Artificial immunity/ natural immunity
- To enable all parents to immunize their children irrespective of their economic status
- Yellow fever
- $V = L \times W \times H$
 $V = 6\text{cm} \times 2\text{cm} \times 4\text{cm}$
 $V = 48\text{cm}^3$
- $D = M = 240\text{gm}$
 $V = 48\text{cm}^3$
 $D = 5\text{gm/cm}^3$
- These are a group of people who need a special medical care and diet/ these are people whose body can easily be harmed if they are not given special diet and medical care
- Trypanosomes
- Plasmodium
- Amoeba
- Hinge joint
- Ball and socket joints
- By doing physical exercises regularly/ by maintaining proper body posture/ by feeding on a balance diet to prevent osteoporosis
- Tube fiddle
- By vibration of the string when rubbed
- String instrument or chordophones.
- It is used for tuning the instrument/ it is used for adjusting the tension of the string
- Reptiles
- Amphibians
- Fish reproduces by laying eggs while man reproduces by giving birth to live young ones
- Insects

1. Which condition of weather makes peoples clothes wet?

2. Why did the British use indirect rule in Uganda?

3. How do telecommunication companies promote trade in Uganda?

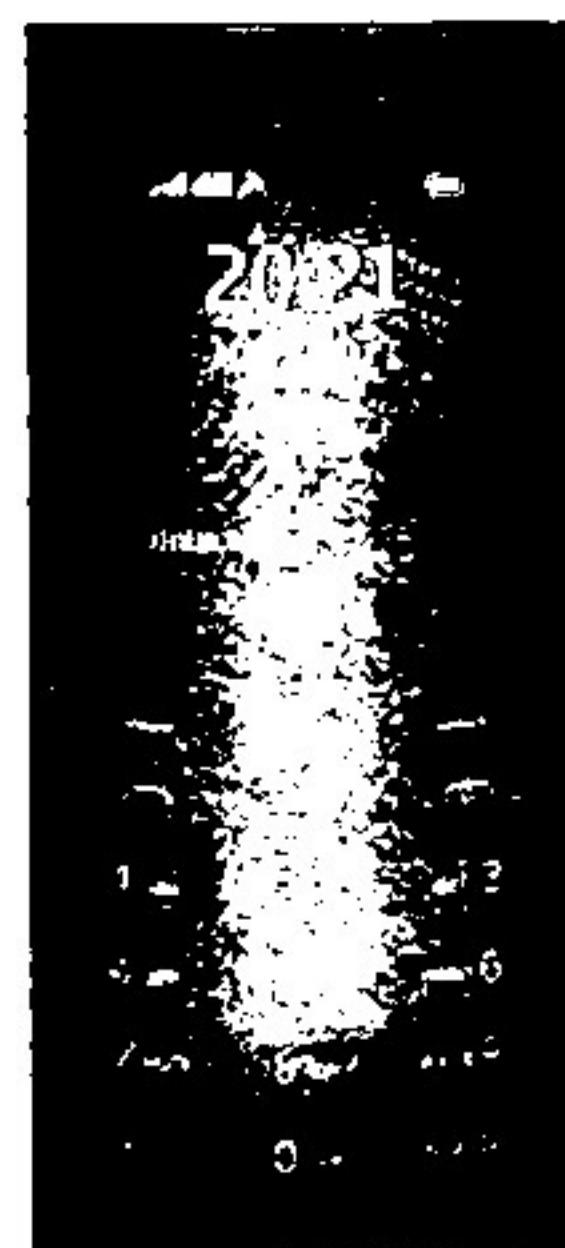

4. State the reason why natural forests have hard wood trees.

5. Which European explorer traced the source of river Nile beginning from Mediterranean Sea in Egypt?

6. State any two problems faced by Rwanda due to her geographical location.

7. Which police department controls traffic flow on Uganda's roads?

8. State any one problem associated with the use the means of communication shown below.

9. Why is the Miombo woodland in central Tanzania sparsely populated?

10. How has the government of Uganda tried to overcome the problem of poor road network in Kisoro district?

11. State one cause of climate change.

12. How does a person who is a foreigner become a citizen of Uganda?

13. State any two ways in which game parks promote the economic developments in Uganda.

i)

ii)

14. How does the commissioner to parliament assume office?

15. State any two factors that enable vegetation in the desert survive harsh climatic conditions.

i)

31. Study the climate below carefully and use it to answer the questions that follow

Months	J	F	M	A	M	J	J	A	S	O	N	D
Rainfall(mm)	0	50	78	100	174	200	180	134	70	50	15	0
Temp.(°C)	34	29	24	25	28	22	24	20	21	26	29	30

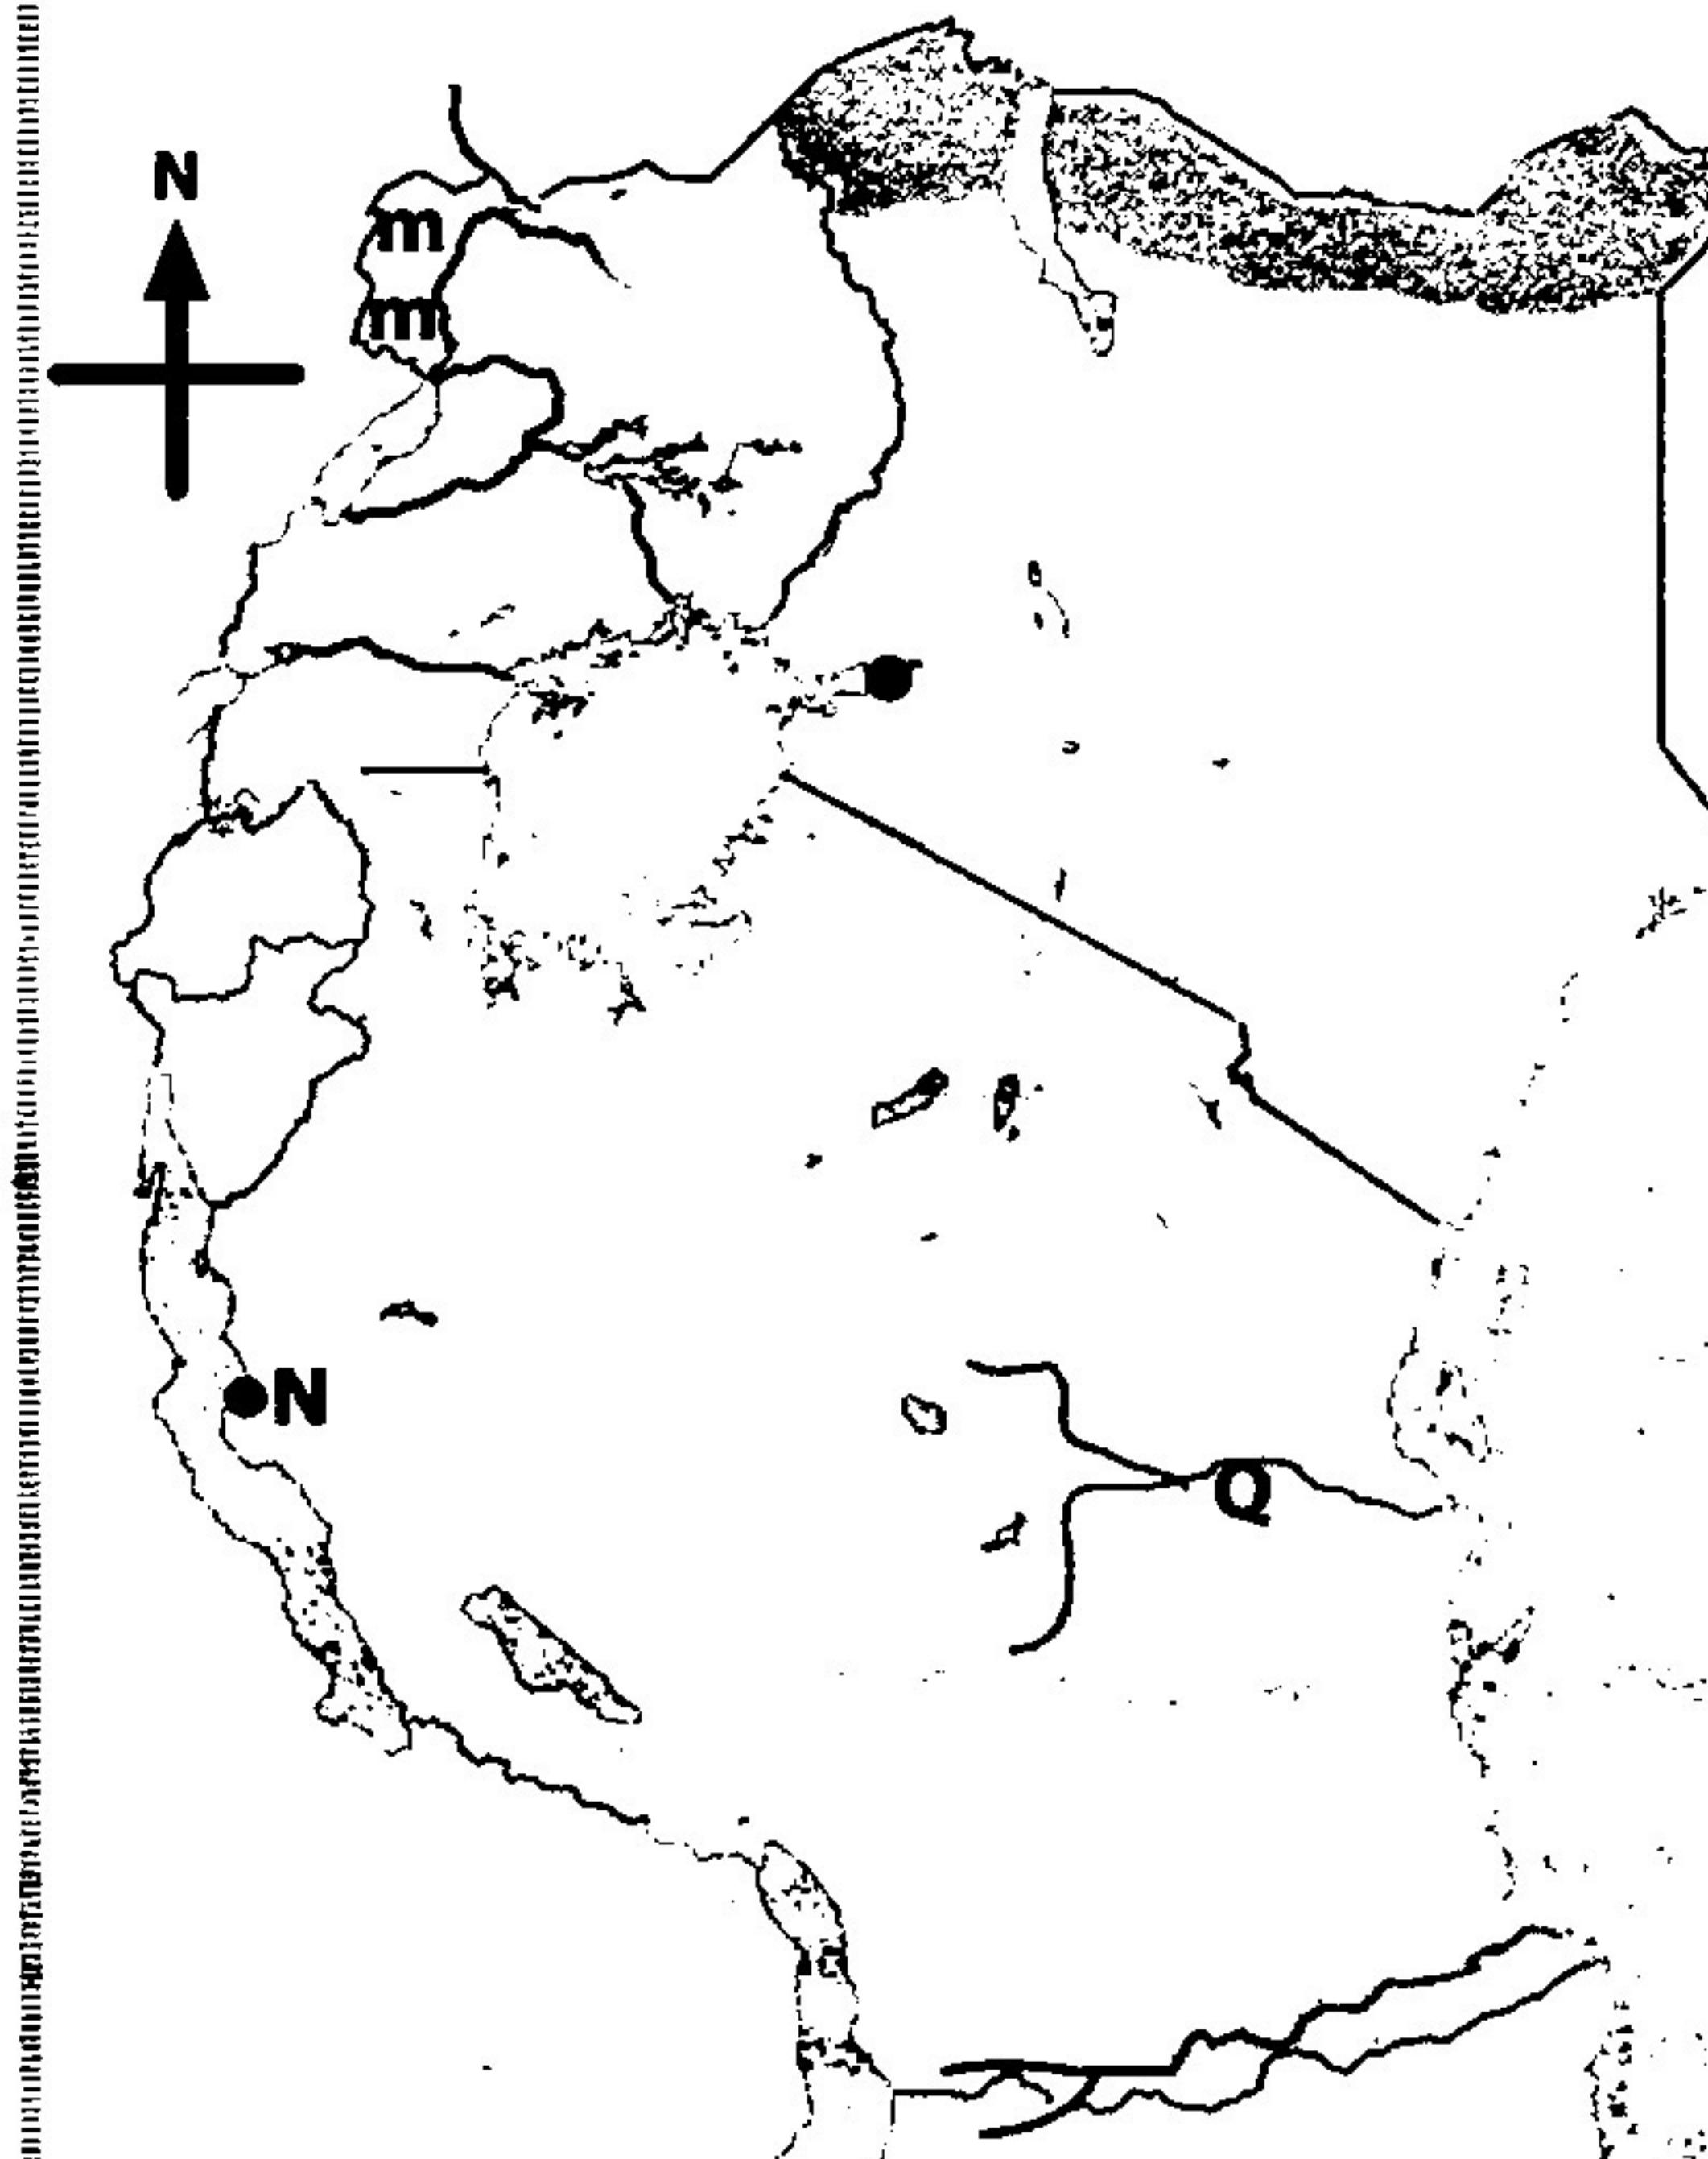

SOCIAL STUDIES

ii)

16. What is Transhumance?

Study the map of East Africa below and answer the questions that follow.

17. Name the inland port marked with letter N.

18. Which feature does river marked Q form towards its mouth?

19. To which country did region marked M belong before it was transferred to Uganda in 1914?

20. Why is tourism regarded as an invisible export?

21. Why did the British colonialists sign the 1900 Buganda agreement?

22. Name the regional common market where Ethiopia is a member.

23. How do Stone Age sites promote development in a country?

24. Name the instrument used to measure the height above the sea level.

25. Why was Kabaka Mwanga unable to sign the 1900 Buganda Agreement?

FOR NUMBERS 26 TO 30 ANSWER EITHER CHRISTIAN OR ISLAM QUESTIONS but NOT BOTH

36. EITHER: What do you understand by the word "prayer"?

OR: What do you understand by the word "salat"?

37. EITHER: Why are Christians given the sacrament of Baptism?

OR: Which pillar in Islam is performed by able Muslims to Mecca?

38. EITHER: What general name is given to the first five books in the Bible?

OR: What name is given to the Holy book that was revealed to Prophet Muhammad at the Cave of Hira?

39. EITHER: Mention any one way Christians reconcile among themselves.

OR, How is reconciliation practiced among Moslem communities?

40. FOR BOTH: How are the dead remembered among believers in ATR?

SECTION B

a) Name the type of climate shown in the table.

b) What temperature was recorded in the month of July according to the climatic table shown?

c) State any one characteristic of climate shown in the table.

d) Name anyone economic activity practices in the above climatic region?

32. a) Name the newest member of the East African community.

.....

b) State any two factors that led to the collapse of East African Community in 1977.

i)

ii)

c) How has the East African Community promoted trade among its member states?

.....

33. a) Which Ministry is responsible for conducting elections in Uganda?

.....

b) State any two conditions that can lead to a by-election in Uganda.

i)

ii)

c) How does a by-election affect the economy of a country?

.....

34a) What is fishing?

.....

b) How does smoking of fish affect the environment?

.....

c) Identify any one problem facing the fishing industry in East Africa.

.....

d) State the commonest method of fish preservation in East Africa.

.....

b) Mention any two methods Stone Age men used to kill the animals for food.

i)

ii)

c) How did early man ensure security around himself?

.....

36) a) What do we call a place where weather is recorded?

.....

b) Write any two elements of weather which are recorded at the place you have named in (a) above.

i)

ii)

c) Mention any one way the recorded information about weather benefits the people in the community.

.....

37) a) What was the largest inland slave market in East Africa?

.....

b) Give any two ways Arabs used to get slaves in East Africa.

i)

ii)

c) Mention any one result of slave trade in East Africa.

.....

38) a) Mention any two economic activities carried out in Kalangala district.

i)

ii)

b) State any one problem that has slowed down the development of Kalangala district.

.....

c) In which way can the problem you have mentioned in b) above be solved?

.....

ENGLISH ANSWERS FOR ISSUE 3 (16TH MAY 2022)

on.
the man to whom I gave one thousand shillings.
only likes that carpenter is honesty.
the fact that the candidates fought properly, they passed ion very well.
soil would erode if we didn't s.
the thief, I will chase him.
the boy wanted to know from breakfast would be ready.
revised all our notes, we examinations very well.
card is addressed to Benson

s about independence season
independence season is being in the card.
cation will take place at lens.
ations will begin at 2:00pm.
cation will last two hours.
drey wrote the card.
rey is the writer of this card.

9. a) requested/ asked
42.1. The passage is about importance of animals to people and their friendship with animals.
2. Animals are good friends because they give them skins, cows and goats, wool from sheep.
3. People get wool from sheep.
4. Rabbits, deer and Moles
be very destructive to farms.
5. These animals destroy trees and vegetables.
6. The farmers have taken steps to keep the animals out of their farms.
7. Small animals are being kept by the farmers as pets.
8. According to the passage, the first step requires the farmer to clear the path ways between beds.
9. The third step encourages the farmers to plant trees and vegetables.
10. Predators - harpies/sharks.

43.

FOR NUMBERS 39 TO 40 ANSWER EITHER CHRISTIAN OR ISLAM QUESTIONS but NOT BOTH

39. EITHER:a)Mention any two things you learn from Jesus Christ when He was a child.

i)

ii)

b) Give any two things Jesus Christ did to show love to people around him.

i)

ii)

OR:a)Mention any two things you learn from Prophet Muhammad's childhood life.

i)

ii)

b)Give any two things Prophet Muhammad did to show love to people around.

i)

ii)

40) EITHER:a)State any two things that happened immediately after Jesus Christ's death on the cross.

i)

ii)

b)Name the man who went to Pilate to request him for Jesus Christ's body to be buried.

.....

c)In which town was Jesus Christ's body buried?

.....

OR:a)State any two things that happened immediately Prophet Muhammad died

i)

ii)

b)Who succeeded Prophet Muhammad (PBUH) immediately after his death?

.....

c)Name the town where Prophet Muhammad was buried.
