

## **SECTION A: 40 MARKS**

*Answer all questions in this section*

*Questions 1 to 20 carry 2 marks each*

1. Work out:  $46 + 53$ .
  2. What number has been expanded to give:  
$$(4 \times 100) + (7 \times 10) + (3 \times 10^{-2}) + (8 \times 10^{-3})$$
  3. Draw and shade  $\frac{13}{5}$ .
  4. Find the mean of the following numbers: -6, 0, -4, 6, 5, 7, 3 and 5.
  5. Draw a Venn diagram showing that pupils (P) and teachers (T) are part of the school(S).

6. Find the sum of prime numbers between 80 and 100.

7. Solve for  $p$ :  $\frac{2}{3}p + 5 = 1 + p$

8. Work out:  $-3 \times -2$  on a number line.

9. The price of a radio was increased by 25%. If its new price is sh. 50,000. Find the old price.

10. A guava tree is the 25<sup>th</sup> from either side of the line of fruit trees planted along Ntinda-Kiwatule Road by K.C.C.A. How many trees are in that line?

11. Using a ruler, a pencil and a pair of compasses only construct a line through a point **M**. parallel to line **CD**.

12. The figure below has an area of  $100\text{cm}^2$ . Find the value of h.

13. 10 shorts take 10 minutes to dry in the hot sun. How long will 20 shorts take if they are exposed to sunshine at the same time?
14. A driver covers a distance of 360km at a speed of 60km/hr. How many hours less will he use if he drives at 90km/hr. to cover the same distance.
15. Solve for q:  $6^{2q+1} \div 36 = 1$

16. Through what angle does a minute hand of a clock move in 40 minutes.

17. Use distributive property to work out:  $(2.4 \times 6) + (2.4 \times 4)$

18. Work out:

Kg	g
9	250
— 3	710
—————	

19. Express 449 in roman numerals.

20. Tell the afternoon time shown on the clock face.

## **SECTION B: 60 MARKS**

*Answer all questions in this section*

*Marks for each question are indicated in the brackets*

21. a) At a graduation party, children were served with 3 meat pies each, adults were served with 4 pieces of chicken each and each member who attended was served with a bottle of soda. If 72 meat pies and 192 chicken pieces were served, how many people attended the party.

**(3 marks)**

- b) If a crate of soda contains 24 bottles and costs sh. 20,000.  
How much was spent on soda? **(2 marks)**

22. Two bells are rung at intervals of 40 minutes and 50 minutes for lower and upper primary classes respectively.
- a) After how many minutes will the two bells be sounded together?  
**(3 marks)**

b) If they are sounded together for the first time at 7:00 a.m. At what time will the two bells sound together for the second time? **(2 marks)**

23. a) Solve and write the solution set for:  $3 - 2m < 15$ . **(3 marks)**

b) Tinah is four years younger than Trisha. Teddy is two years younger than Tinah. If the age of Tinah and Teddy is 32, how old is Teddy?

**(3 marks)**

24. In a hotel, all the 60 customers ordered for cassava (C), 30 customers ordered for posho (P) and cassava, 45 customers ordered for rice (R) and cassava, 9 customers ordered for only cassava while 6 customers ordered for all the three kinds of food.

- a) Use the above information to complete the Venn diagram below.

**(3 marks)**

- b) How many customers ordered for all the three types of food?

**(2 marks)**

25. a) Find the difference of the place value of 4 and 6 in the number  
43,267. **(2 marks)**

b) Given that  $24_r = 14$ . Find the unknown base r. **(2 marks)**

26. a) Study the diagram below and answer the questions that follow.

i) Find angle f. **(2 marks)**

ii) Find angle p. **(2 marks)**

b) The exterior angle of a regular pentagon is  $5n + 12^\circ$ . Find the value of n. **(2 marks)**

27. In a P.7 class,  $\frac{1}{3}$  of the pupils ate sweet potatoes,  $\frac{1}{2}$  ate pumpkins,  $\frac{1}{2}$  of the remainder ate cassava and the remaining 6 pupils ate rice. Find the number of pupils in the class. **(5 marks)**

28. Marvin drove a car from town **E** to town **F** at a speed of 90km/hr. in 3 hours. He rested at town **F** for an hour and drove back at an average speed of 54km/hr. Calculate Marvin's average speed for the whole journey. **(5 marks)**

29. The table below shows the denominations, number of notes and amount. Use it to complete the blank spaces correctly with correct working.

<b>Denomination</b>	<b>Number of notes</b>	<b>Amount</b>
Sh. 1,000	20	Sh. 20,000
Sh. 2,000	15	Sh. .....
Sh. 5,000	.....	Sh. 75,000
Sh. ....	5	Sh. 50,000
Sh. ....	4	Sh. .....
<b>Total</b>		Sh. 375,000

**(5 marks)**

30. Using a pair of compasses, ruler and a very sharp pencil only, construct a triangle JKL where line JK = 5cm, angle JKL =  $105^{\circ}$  and line KL=3.5cm.

(4 marks)

b) Measure angle KJT \_\_\_\_\_ (1 mark)

31. How many 250 litre jerrycans of milk can be obtained from a rectangular tank of 4m by 5m by 3m? (4 marks)

31. The pie chart below shows how Mr. Byamugisha spent his monthly salary. Study and use it to answer questions that follow.

- a) Find the value of  $b$  in degrees. **(2 marks)**
- b) If he spends sh. 200,000 more on food than medical, find how much he spends on rent. **(3 marks)**

**END**

## **SECTION A: 40 MARKS**

1. What is the direction of Uganda from DRC?

.....

2. Mention the cultural practice that is common among the Bagisu.

.....

3. How do water bodies modify the climate of a given area?

.....

4. Write any one way the discovery of Iron helped early man to live a settled life.

.....

5. Draw the map symbol of a river in the space provided below.

6. Mention any one tourist attraction that can be found in Libya and not in Uganda.

.....

7. How did the Bachwezi contribute to establishment of Kingdoms in East Africa?

.....

8. State one factor that may hinder irrigation farming in some dry areas of Africa.
- .....

9. Why is tourism called a tertiary industry?
- .....

10. How does Lake Victoria promote trade among East African countries?
- .....

11. State any one way exploration of E. Africa resulted in colonization.
- .....

12. Why should Wilber force, a dairy farmer use air transport to export fresh dairy products other than using water transport.
- .....

13. How did the first Africans in Uganda join LEGCO?
- .....

14. Mention any one way information about the past is given to the children by elders.
- .....

15. Give any one reason why some people in our communities fail to get basic needs.
- .....

16. Write any one thing that showed that Uganda had got her independence on 9<sup>th</sup> October 1962.
- .....

- .....

- .....
23. Write any one way people in hilly areas control landslides.
- .....
24. What role is played by the prisons department in ensuring law and order?
- .....
25. State any one effect of insecurity to the tourism industry.
- .....
26. Name the type of lake formed as result of river meandering and

deposition.

.....

27. Mention one example of print media commonly used in your community.  
.....
28. Give one reason why most resistances against colonial rule in Africa were unsuccessful.  
.....
29. Write any one danger of corruption to a country.  
.....
30. How can poaching be reduced in game parks in Uganda today?  
.....
31. State any one importance of games and sports to a school child.  
.....
32. What are agro based industries?  
.....
33. Mention any one Island country in Africa.  
.....
34. State any one way road signs promote safety on roads.  
.....
35. Write any one effect of climate change.  
.....

**For questions 36-40, answer either Christianity or Islamic but not both.**

- 36. Either:** What name is given to the first five books of the Old Testament in the Bible?

.....

**Or:** What name is given to the book that was revealed to prophet Musa according to Islam?

.....

- 37. Either:** Why did Mary and Joseph go to Bethlehem before the birth of Jesus Christ?

.....

**Or:** Why did Mariam go to Baitu'lahm before the birth of Prophet Isa?

.....

- 38. Either:** How did God test Abraham's faith?

.....

**Or:** How did Allah test Ibrahim's faith?

.....

- 39. Either:** Write any one event of Judgment day according to Christianity.

.....

**Or:** Write any one event of judgment day according to Islam.

.....

- 40. Either:** Who is a neighbor according to Christianity?

.....

**Or:** Who is a neighbor according to Islam?

## SECTION B: 60 MARKS

41. a) Name any one group of Indians that came to East Africa.  
.....
- b) Give any two contributions of Indian traders in East Africa.  
i) .....  
ii). ....
- c) Name the form of currency that Indian traders introduced in East Africa  
.....
42. a) State any two ways desert vegetation survives dry conditions.  
i). ....  
ii). ....
- b) Write any two economic importance of vegetation to people.  
i). ....  
ii). ....
43. (a) Write any two factors that attracted the pastoralists in plains of East Africa.  
i. ....  
ii. ....
- b) State any two reasons why the pastoral tribes began mixed farming in East Africa.  
i. ....  
ii. ....
44. (a) State any two importance of social activities in your community.

- i. ....
- ii. ....

(b) Write any two examples of social activities in your community.

- i. ....
- ii. ....

45. Study the map below and use it to answer the questions that follow.

a) Mention any two human activities that are carried out in the shaded region on the map above.

- i) ....
- ii) ....

(b) Why is Lake marked C shallow?

c) Draw the Equator on the map above.

46 (a) When does a bill become a law?

(b) Give any two importance of laws in a country.

- i) .....
- ii) .....

(c) Which organ of government is responsible for punishing law breakers in Uganda?

.....

47. (a) Why was the **1900** Buganda agreement signed?

.....

(b) State any two effects of the **1900** Buganda agreement.

- i. .....
- ii. .....

c) Write any way colonialists acquired colonies besides signing treaties.

.....

48. (a) Name the official who is in charge of elections in a district.

.....

(b) Mention any two election materials used during elections.

- i).....
- ii).....

(c) State any one importance of elections as a way of getting leaders.

.....

49. Match list A with B correctly.

A. minerals

B. Products

Soda Ash	Diesel
Limes stone	Jewellery
Crude oil	Glass
Gold	Cement
i. ....	.....
ii. ....	.....
iii. ....	.....
iv. ....	.....

50. a) Why is population census carried out in a country like Uganda?  
.....
- b) State any two problems faced by enumerators during national census.  
i. ....  
ii. ....
- c) Which ministry is responsible for conduction national population census in Uganda?  
.....

**For questions 51- 55, answer Either Christianity or Islamic but not both.**

51. **Either:** (a) Name the creature that is blamed for the fall of man in the Garden of Eden.  
.....
- (b) Write any two ways people fail to live up to God's expectations

today.

- i.....
- ii.....

(c) How did God reconcile Himself with man after the fall of man?

.....  
OR: a) Name the creature that is blamed for the fall of man I the garden of Aden.

.....  
b) Write any two ways people fail to live up to Allah's expectation today?

- i.....
- ii.....

(c) Name the Prophet Allah sent to perfect Islam.

52. **Either:** (a) Give any two reasons why Jesus Christ performed Miracles during his ministry.

- i.....
- ii.....

(b) Mention any two groups of people that benefited from the miracles of Jesus Christ.

- i) .....
- ii) .....

**OR.** a) Give any two reasons why Prophet Mohammed performed Miracles during his ministry.

i).....  
ii).....

d) Mention any two groups of people that benefits from the miracles of Prophet Mohammad.  
(i) .....

(ii) .....

53. Either: (a) Mention any two beliefs among Christians.

i. .....

ii. .....

(b) State any two reasons why Christians attend congregational prayers.

(i) .....

(ii) .....

OR: (a) Mention any two beliefs among Moslems.

(i) .....

(ii) .....

(b) State any two reasons why Muslims attend congregational prayer.

.....

.....

54. Either: (a) Who was chosen to lead Israelites o the promised land?

.....

(b) Mention any two ways God cared for the Israelites on their way to the Promised Land.

(i) .....

(ii) .....

c) Write any one problem that was faced by the Israelites on the way to Egypt.

.....  
OR: (a) Who was chosen by Allah to lead the Ban Israel out of Msri?

.....  
(b) Mention any two ways God cared for the Ban Israel on their way from Msri

(i) .....

(ii) .....

c) Write any one problem that was faced by the Ban Israel on their way from Msri.

55. Either: a) "I am the Lord's servant, May it happen to me as you have said" (**Luke 1:38**)

a) Who said the above words in the quotation?

(i) .....

b) To whom were the above words said?

(ii) .....

c) Write any two lessons Christians learn from the quotation above.

## SECTION A

1. Name any **one** human activity that can affect the water cycle.

.....

2. Mention the root system that develops from hypogeal germination.

.....

3. State the purpose of tying splints on a fractured leg.

.....

4. State any **one** advantage of proper budgeting of family resources.

.....

5. Give any **one** role of children in immunization.

.....

.....

6. State any one way crops benefit from trees growing together.

.....

**The diagram below shows a type of stem. Use it to answer questions 7 and 8.**

7. Identify the type of stem marked T.

.....

8. Mention any one plant with the type of stem marked T.

.....

9. Give any one characteristic that makes a centipede and a millipede to be grouped together.

.....  
.....

10. Give any one reason to explain why ventilators are placed above doors and windows of permanent buildings.

.....  
.....

**The diagram below shows an ironing box. Use it to answer questions 11 and 12.**

11. Give any one way holes marked Z help the ironing box above to work.

.....  
.....

12. State the reason why part marked X is made of iron metal.

.....  
.....

13. Name the hardest membrane that forms exoskeletons.

.....  
.....

14. State the reason why the trachea should be kept open at all times.

.....  
.....

15. Give any **one** problem that can be faced by a girl who gets pregnant at a young age.

.....  
.....

16. Mention any **one** food element that is directly absorbed into the blood stream without undergoing the digestion process.

.....  
.....

17. State any **one** activity done to control the spread of germs through water.

.....  
.....

18. Give any **one** sign of vitamin E deficiency in humans.

.....  
.....

The diagram below shows a method of making magnets. Use it to answer questions 19 and 20.

19. Name the pole of the magnet at position labeled X.

.....

20. Apart from decreasing current, mention **one** way in which the strength of the above magnet can be reduced.

.....

21. State the main reason why buildings having lightning conductors do not get struck during lightning and thunder storms.

.....

.....

22. Give any **one** importance of a ladybird in crop growing.

.....

.....

23. Why should the government of Uganda know her population?

.....

.....

24. Give any one sign that indicates that a fuse is no longer working in an electric circuit.

.....  
.....

25. Give any one way in which rearing of poultry helps in the prevention of Kwashiorkor in infants.

.....  
.....

26. State the law of magnetism that is shown when you put two ends of magnets together and they fail to meet.

.....  
.....

27. State any **one** way in which brick making in swamps can cause floods in an area.

.....  
.....

28. Apart from boosting immunity state any **one** other reason why infants should receive sufficient immunization.

.....  
.....

29. Give any **one** way of safeguarding children from drug poisoning at home.

.....  
.....

30. State the reason why water is the most commonly used solvents.

.....  
.....

31. Give any **one** reason why the pinna effectively captures sound waves.
- .....  
.....  
.....

32. Mention any **one** structure in a frog that enables it to live both on land and in water.
- .....  
.....  
.....

33. Name any **one** area where echoes are produced.
- .....  
.....

34. State the main reason why grains should be dried properly before storage.
- .....  
.....  
.....

**The diagram below shows a property of air. Use it to answer questions 34 and 35.**

35. Identify the property of air drawn in the diagram above.
- .....  
.....

36. Give **one** reason why water may not easily fill up to the cotton wool in the above experiment.

.....  
.....

37. State any **one** characteristic of involuntary muscles.

.....  
.....

38. Give any **one** way pests destroy crops in the garden?

.....  
.....

39. Apart from growth, state any **one** other way moulting is beneficial to insects.

.....  
.....

40. Mention any **one** disease that can cause paralysis of muscles

.....  
.....

## SECTION B

41. (a) State the reason why tsetse flies do not lay eggs.

.....  
.....

- (b) Mention any **one** danger of tsetse flies in the environment.

.....  
.....

- (c) Name any **one** disease spread by tsetse flies in the environment.

.....  
.....

- (d) Give any **one** way of controlling the breeding of tsetse flies in the environment.

42. The diagram below shows a simple machine. Use it to answer questions that follow.

- a) Identify the group of simple machines illustrated above.

.....  
.....

- (b) State the importance of part marked T in the simple machine above.

.....  
.....

- (c) Mention any **two** devices that use the simple machine drawn above to function apart from bicycles.

i. ....  
ii. ....

43. a) Apart from air, mention any **two** other agents of seed dispersal.

i. ....  
ii. ....

- b) State any one characteristic of seeds dispersed through air.

.....

- c) Mention any one danger of seed dispersal in the environment.

.....

44. The table below shows digestion processes. Use it to answer questions.

ORGAN	GLAND	DIGESTIVE JUICE	ENZYME
Mouth	Salivary gland	.....	Ptyalin
.....	Gastric gland	Gastric juice	Pepsin
duodenum	Pancreas	Pancreatic juice	.....
Ileum	Ileum wall	.....	Maltase

45. a) State any **two** natural changes that can lower the quality and productivity of the environment.

- i. ....
- ii. ....

(b) Mention any **two** ways of controlling the reduction in the quality and productivity of the environment.

- i. ....
- ii. ....

46. a) Give any **two** ways of managing a casualty at school.

- i). ....
- ii). ....

b) State any **one** importance of a tourniquet in managing casualties.

.....

c) Write any **one** quality of a good first aider.

.....

47. The list below shows organisms in a common habitat. Study and use it to answer questions that follow.

Rabbit,	plant,	Bacteria,	Lion
---------	--------	-----------	------

(a) Identify the organisms that are grouped under;

i. Trophic level one

.....

ii. Trophic level two

.....

(b) Give the importance of bacteria in the feeding relationship above.

.....

(c) State any **one** way in which bacteria may be a danger to the above niche.

.....

48. The diagram below shows a six's thermometer. Study and use it to answer questions that follow.

(a) Name the parts marked A and B.

i. A.....

ii. B.....

(b) State the function of part marked A.

.....  
.....

(c) Give **one** reason why alcohol is used to measure minimum temperatures in thermometers.

.....  
.....

49. (a) Give any **two** ways the community can participate in promoting Primary Health Care (PHC).

- i. ....  
ii. ....

(b) State any **two** ways of caring for people with special needs in the community.

- i. ....  
ii. ....

50. a) State any **two** signs of oestrus cycle in goats.

- i. ....  
ii. ....

(b) How long is the oestrus cycle in nanny goats?

.....

c) Mention any **one** care given to a pregnant goat.

.....  
.....

51. The diagram below shows the appearance of electric wires on different types of weather.

- a) In what type of weather do the electric wires appear as marked in diagram P and Q?
- P.....
  - Q.....
- (b) Why do electric wires appear as diagram marked P and Q?
- P.....
  - Q.....

52. a) Name any **one** mineral element lost during severe diarrhoea and vomiting.

.....  
.....

- (b) State any **two** reasons why sugar is used in the preparation of ORS.
- .....
  - .....
- c) Mention any **one** disease that shows severe diarrhea and vomiting in humans.

.....  
.....

53. a) Name the type of soil erosion that is common in hilly areas.

.....  
.....

(b) Apart from hilly areas, mention **two** other areas that encourage soil erosion to take place.

- i. ....  
ii. ....

c) Give any **one** way of controlling soil erosion in the compound at home.

.....  
.....

54. Give any **one** example of a bird of prey.

.....

(b) Mention any **two** characteristics of birds of prey.

- i. ....  
ii. ....

c) State any **one** importance of scavenger birds in the environment.

.....  
.....

55. The diagram below shows a single celled organism. Study and use it to answer questions that follow.

- a) Name the part labelled A

.....

- (b) Mention any **two** ways single celled organisms move from one place to another.

i. .....

ii. .....

- (c) Give any one way single celled organisms obtain their food.

.....  
.....

**END**

## **SECTION A: 50MARKS**

Questions 1 to 50 carry one mark each

### **Subsection I**

*In questions 1 to 10, use the correct form of the word given in brackets to complete the sentences correctly.*

1. Gordon is a good friend of.....(me)
2. The carpenter is.....the planks now.(to smooth)
3. He must be careful with.....hygiene to avoid contracting conjunctivitis. (him)

14. We ought to work hard so as .....lead a better life.

15. Surprisingly, Sheila has never seen.....ewe.

*Use each of the given words in a sentence to show that you know the difference in their meaning.*

16. through

.....  
.....

17. thorough

.....  
.....

*In questions 18 and 19, re-arrange the given words in alphabetical order.*

18. address, date, conclusion, salutation

.....  
.....

19. saw, see, sit, slow

.....  
.....

*In questions 20 to 30, rewrite these sentences giving one word for the underlined group of words.*

20. Where are your sisters and brothers going?

.....  
.....

21. Emmanuel made up his mind to join the school football team

.....  
.....

22. The judge found him not guilty.

.....  
.....

*In questions 23 to 25, write these abbreviations in full.*

23. CD .....

24. won't .....

25. Feb.....

**In questions 26 and 27, rewrite sentences giving the opposite of the underlined words.**

26. Completing home is not optional.

.....  
.....

27. It is advisable to be polite whenever speaking to any person.

.....  
.....

**In questions 28 to 30, rewrite the sentence giving the plural form of the underlined words.**

28. The mechanic is looking for his equipment.

.....  
.....

29. I saw a monkey in Bwindi impenetrable forest.

.....  
.....  
.....

30. A formal letter should have an address.

.....  
.....  
.....

*In questions 31 to 50, rewrite the sentences as instructed in the brackets.*

31. Farmers should not mistreat animals.

(Rewrite the sentence using: .....needn't.....)

.....  
.....

32. The timekeeper rang the bell. The candidates went out to play.

(Rewrite the sentence beginning: **As soon as**.....)

.....  
.....

33. Frank is very hardworking mechanic. Every one trusts him.

(Rewrite as one sentences using: .....such.....that.....)

.....  
.....

34. My nephew is very young. He cannot join school now.

(Rewrite as one sentence using: .....enough.....)

.....  
.....

35. A mosquito is a dangerous insect.

(Rewrite the sentence ending: ..... **insects**.)

.....  
.....

36. Kagwa and Karen are not Kenyans.

(Rewrite the sentence beginning: **Neither**.....**nor**.....)

.....  
.....

37. Debating is a very interesting activity. (Rewrite beginning: **What**.....!)

.....  
.....

38. There were a lot of people at the minister's burial.

(Rewrite the sentence using: ..... **weren't**.....)

.....  
.....

39. This is the motorist. The motorist caused a fatal accident.

(Join as one sentence using: ..... **who**.....)

.....  
.....

40. If the candidates work hard, they will perform well.

(Rewrite the sentence beginning: **The**....., **the**.....)

.....  
.....

41. I am in Primary seven,.....(Rewrite and supply a suitable question tag)

.....  
.....

42. I prefer playing football to watching news.

(Rewrite the sentence using: .....**would rather**.....)

.....  
.....

43. I did not buy the CD player. I did not watch the movie.

(Rewrite as one sentence beginning: **If I had**.....)

.....  
.....  
.....  
44. Do not overload vehicles. (Rewrite the sentence beginning: **Avoid**....)

.....  
.....  
.....

## SECTION B: 50 MARKS

**Questions 51 to 55 carry ten marks each**

51. Read the passage below and answer the questions that follow.

Four years ago, Samson decided that he would join Tukeni Technical School. This was after his Primary seven. Most people in his village laughed until they cried. They told him it was useless joining such a school. "You will die a poor man," they told him Samson did not listen to them.

On joining the technical school, he preferred tailoring to carpentry. Four years later, Samson qualified as a tailor since he had his own sewing machine and the tools used in tailoring, he rented a room. He started patching people's clothes and sewing uniforms for some school going children in that area. Within a year, Samson had made a lot of savings. He used the money to construct his own room. Within the very first year, some boarding school hired to sew uniforms for their pupils.

Soon, Samson bought a car to help him in his business. He also employed two other people to help him with work. How rich Samson became! The

people who laughed at him when he joined the technical school could not believe it. "How can a tailor be very rich like this? They wondered.

.....

52. Read the poem below and in full sentences the questions that follow.

**Dearest drivers,**

We, the passengers honour you  
When we board your vehicles  
We put our lives in your hands  
Our valuable luggage upon your mercy

Yes, we pay the fare  
But it is not enough to thank you  
We need to pray for you  
You are the savers of our lives  
When you drive safely to our destinations

We beg you kindly, drivers  
Do not drink and drive  
Do not overload  
Do not speed and overtake in corners  
If you listen, you will save lives.

**Questions**

a) To whom is the speaker talking?

.....  
.....
